*I fully understand that this change will be subject to the airlines rules and regulations regarding deviation from a special group airfare. The airline limits the number of passengers who can deviate from the group schedule. Deviators will be assessed a \$75.00 fee per person in addition to whatever costs may be incurred in the new flight schedule. The passengers will also be responsible for any airfare increases due to this deviation.. The parties will be separate from the group and Music Celebrations International (MCI) will not be held responsible for their accommodations during this deviation or provide the airport transfers unless contracted separately with MCI. MCI will also not be responsible for any schedule or itinerary changes baggage loss, strikes, or any catastrophic occurrences during this deviation.*

*Please note requests will be accepted from participants wishing to deviate from the group flight itinerary if received in writing at least 90 days prior to departure. Tour participants will receive much better service and fares if they make these requests well in advance of 90 days before departure. A request received less than 90 days prior to departure will be subject to an additional charge of \$50.00 per person.*

**I hereby acknowledge and accept full responsibility for this deviation from the Manchester United Methodist Church Festival Choir**
